

Factsheet

Lucerne F4 network: «Flex»

The «Flex» F4 network offers you maximum flexibility and attractive terms. You specify the number of sites you want and Clear Channel will choose the best ones for you. No need to worry about planning the individual sites – plus there's the added benefit of a 30% discount on display costs.

The flexible network with a
fixed 30% discount.

Facts and figures

- High visibility and high impact among pedestrians and road users
- The most flexible and dynamic F4 network with highly attractive terms
- You decide the network size (min. 40 sites)
